

HOPE, Inc. is looking for
Foster Parents who can and will
...

- Provide a safe, nurturing and supportive home for children with difficult behaviors.
- Help a child develop a sense of belonging in your home even though the stay is temporary?
- Open your heart and home to teenagers.
- Become a professional parent and an advocate for children.
- Set clear limits, and be both firm and understanding in your discipline?
- Accept assistance and guidance from trained agency staff?
- Maintain a positive attitude toward a child's parents; even though many of the problems the child is experiencing is a direct result of the parent's actions?

If this sounds like you or you want more information:
click on Prospective Foster Parent Questionnaire,
complete form and submit, or contact
